Springer Publishing Co Inc. Paperback. Book Condition: new. BRAND NEW, Teaching in Nursing and Role of the Educator: The Complete Guide to Best Practice in Teaching, Evaluation and Curriculum Development, Marilyn H. Oermann, This all-inclusive text on teaching in nursing is by one of the pre-eminent nurse educators in the United States: Dr. Marilyn Oermann. The only book to focus on the full academic role, it is designed to provide graduate-level nursing students with all of the competencies essential for effective teaching. This evidence-based text encompasses both theoretical and practical information and includes content on teaching and learning, assessment and evaluation, curriculum development, using technology, teaching in simulation, learning lab and online courses, models for clinical teaching, scholarship and evidence-based education, and other components of the educator role. Each chapter begins with goals and concludes with a content summary. Relevant research is cited to provide evidence for the concepts presented. Chapters include practical examples of the methods and strategies presented and "how to" tips for readers. The book features an on-line teaching guide that includes PowerPoint slides, Case Examples, a Sample Course Syllabus, and Online Course Materials including chapters summaries, learner activities, discussion questions, and selected assessment strategies.
