This book is dedicated to all the small business owners of the world that have taken their passion and started a business, or are planning to do so. The basic premise of the book is to share with passionate owners that to be successful in business, passion is good. But, passion is not enough! Marketing is what allows us to profit from our passions. Unfortunately, most small business owners just don't know what we don't know that we don't know about marketing. Sure, we can speak the business speak when necessary. And, yes, we continue to throw money at advertising that we aren't able to see results. And, most of us have heard of marketing. But, the proof is in the pudding. Small businesses are struggling. Well, at least, some are. Those that aren't are using the formulas and the systems introduced in this book. The contents of this book are excerpted from the training program, Small Business Marketing TOUGH LOVE SYSTEM: The Ultimate Business Growth Training System For Small Business Owners. The training program includes videos, audios, workbooks, checklists and other resources to ensure that small business owners know marketing, know how marketing works, and know what to do, specifically, to grow their business. And, more specifically, you will understand your business better in terms of how your customers see you and what you must do to ensure that they continue to buy from you and also be raving fans that tell their families, networks, friends and all of the world about you and your business. If you want to ensure that you can...
