Reviews

It is fantastic and great. Sure, it is perform, nonetheless an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Conor Grant)

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A masterful world-builder and award-winning fantasist nonpareil, Dave Duncan carries us through the hidden portals that link two war-wounded worlds into a miraculous realm where mortals become gods. The Great Game is afoot! In the midst of the horror of the first World War, a stranger falls from nowhere into the mud and death of the Flanders battlefield--bruised, babbling, and stark naked, with a remarkable story to tell. Wrongly accused murderer Edward Exeter has reappeared on this Earth hearing scars and secrets. From somewhere he calls next door--a place old godly intrigues and an ancient prophecy that he wants no part of. But powerful forces on both sides of a mystical border have other plans for the young fugitive. And now, in the company of loyal comrades, he must flee murderous pursuers from two separate worlds. But there is no escape from his destiny. For Exeter has obligations to the past and the future that must be met, if myriad civilizations are to survive.
