

Society (Paperback)

By Justin Calais

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This world has two different types of humans. The first type is your Average Joe: Homo-Sapien; also known by the slang term, baseline. Then there is the second type of human s, Homo- Semi Excellus; which is known by the simple man s term, anomaly. What makes the second type of human so special is that each is born with a super human ability and or inhuman features. Even in a world with two different types of humans skin color is still an issue. And the world still sees things in black and white. A family of anomalies who loses a son and brother learn that superpowers aren t enough to protect you from police brutality.

Reviews

The ideal ebook i possibly go through. It generally does not cost an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Vincenza Hand

Extremely helpful for all class of people. It is probably the most incredible ebook i actually have go through. I discovered this publication from my dad and i recommended this ebook to discover.
