

## Archaic Transitions in Ohio and Kentucky Prehistory (Paperback)

By Olaf Prufer

Kent State University Press, United States, 2002. Paperback. Condition: New. New. Language: English . Brand New Book. Notwithstanding the archaeological record amassed over nearly a century, little is understood about the dynamics that led from the Stone Age to a semblance of formative civilization. This volume attempts to fill this gap in terms of archaeology, biological anthropology, demography, pathology, and paleo-ethnographic interpretation and has vast implications as far as archaic transition throughout eastern North America is concerned.
