Resolutions
A Study of Some Selected Texts

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | A Study of Some Selected Texts | This book attempts an analysis and a study of some selected SC resolutions examining some grammatical features or relations that result in creating semantic barriers that may block the channel of communication between the target text (TT) and the target reader (TR). It is known that translation is an activity which enables us to exchange ideas and thoughts. A good translation is the one which...
