Don Riefstahl. Paperback. Book Condition: New. Paperback. 98 pages. Dimensions: 7.9in. x 5.0in. x 0.3in. What would you say if someone told you that nearly everything you thought you knew about love and marriage in today's world was either outdated, incomplete or just plain false? Would you be skeptical? Confused? Curious? This provocative new book explores our cultural landscape from the ground up and challenges the reader to re-examine what he thinks he knows about romance and inter-gender relations. The arguments presented will make the case that our society has replaced some difficult truths with comforting lies. And these lies, well-intentioned as they may be, are wreaking havoc on the very foundations of our civilization. Having a solid understanding of the dynamics at play behind the scenes is essential if you want to have a successful marriage in today's world. The challenges have never been greater and the stakes have never been higher. You can't afford to wing it; you need a game plan. By combining fundamental biblical truths, an understanding of history and an awareness of how the mechanics of attraction really work, this book will help guide you through the treacherous waters of today's dating landscape and into a thriving, happy marriage. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
