Redemption Press, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. One woman stood between an evil politician and the destruction of her entire race. Would she risk her own life to avert the genocide? As queen of Persia, Esther found herself in a unique position to appeal to the king. If she was not summoned, however, she risked her life by entering his presence. Like Esther, each woman has a sphere of influence. You have an opportunity to make your world a better place. Will you remain silent, hoping someone else will intervene? Or will you act with the courage and conviction of Esther? Those who study her life will: - Understand the value of humility - See God's sovereign hand at work - Recognize their unique opportunities - Discern the time and season for action - Walk wisely in difficult situations. Dr. Peter Z. M. Nehsahm migrated from his native Liberia to the United States. His escape from their civil war makes Esther's story especially precious to him.
