Reviews

The ideal publication i at any time read through. It really is writter in easy phrases and never difficult to understand. Its been designed in an remarkably easy way which is merely right after i finished reading through this publication by which actually transformed me, affect the way i think.

(Jaqueline Flatley)

WAR-WISE AND OTHER POEMS

iUniverse, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Written with language that works in harmony with the rhythm of the poems, seasoned poet David J. Murray offers his third collection of work in War-Wise and Other Poems. Presented in two parts, the first set, War-Wise, contains thirty-five poems reflecting Murray s memories of life in Manchester, England, during World War II-a war that began when he was two years old. Emitting clear and powerful imagery, some of the titles are straightforward narrative. Others are more reflective and address the effect the Holocaust had on his eight-year-old mind. In Ghosts, Murray combines the innocence of childhood with the violence of war. In Sunday School, we sometimes drew Pictures whose innocence shone through The spattered lines of gunshot fire That dotted and dashed each page entire Until, on the page, a Messerschmidt Was finally and firmly hit And fell in flames into the blue Of our crayon d sea; we drew no crew. The second collection, One Hundred Mood Studies, contains a set of short, stand-alone, rhymed sonnets, each expressing a modern-day emotional conflict. Exercises in the craft of formal writing, these poems provide an outlet for everyday shifts in emotions.
