If you will look at the map of Italy on the opposite page, you will find near the middle of the peninsula and facing the west coast a district called Latium,<sup>1</sup> and Rome its capital. The Latin language, meaning the language of Latium, was spoken by the ancient Romans and other inhabitants of Latium, and Latin was the name applied to it after the armies of Rome had carried the knowledge of her language far beyond its original boundaries. This is a freshly published edition of this culturally important work, which is now, at last, again available to you. Enjoy this classic work.
