HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, The Dog Who Couldn't Stop Loving: How Dogs Have Captured Our Hearts for Thousands of Years, Jeffrey Moussaieff Masson, In "The Dog Who Couldn't Stop Loving", Masson considers the far-reaching consequences of the coevolution of dogs and humans, drawing upon recent scientific research. Over the past forty thousand years a collective domestication has occurred that brings us to where we are today - humans have formed intense bonds with dogs, and the adoration is almost always reciprocal. Masson himself has experienced a profound bond with his new dog, Benjy, a failed guide dog for the blind, who possesses an abundance of uninhibited love. Masson knows that the love he feels for Benjy - the same feeling Benjy has for all the people and animals around him - is not unique, but exemplifies a love affair unmatched in the animal world. With wisdom, insight, and a brilliant analysis of recent scientific findings, bestselling author Jeffrey Moussaieff Masson delivers a provocative and compelling book that will change the way we think about love and our canine companions.
