Skeeter Pan is not an ordinary pie pan. He is a pan with ideas and one of them is to escape the kitchen for a grand outdoor adventure. His friend Bella, a mixer, worries that it is not quite the thing to do. Travis, a grouchy toaster, who occasionally burns toast, says it is a silly idea, but Skeeter is not listening to them. He talks Bella into going with him to places no kitchen tool has ever gone before. and so their first big adventure begins. Emma Beesley writes books that are meant to be read out loud. Books that make children (of all ages) laugh. She writes books to help us all remember that big adventures are just one story away.
