HISTORY OF INDIAN ADMINISTRATION, VOL. III (MODERN PERIOD)

DOWNLOAD

Munshiram Manoharlal Publishers Pvt Ltd, New Delhi, 1982. Hardcover. Condition: New. First. 362pp. The importance of administration in the history of any country is significant. Its study helps in analysing the shocks received by the country from external aggressions and internal disorders in different periods of its past, and the way these were cushioned by the administrative machinery. The present work written from the above viewpoint is the first attempt at a comprehensive history of Indian Administrative organization from ancient, medieval and modern periods. Some historians have, no doubt, written on certain administrative subjects, confining their interests to specific periods and areas, or they have briefly touched administration as a part of the broader sweep. A few administrators have also treated the subject from their own angle. The author has successfully completed this monumental history of Indian Administration with the publication of this third volume. It is hoped that this volume also like, the earlier ones would cater to the needs of both the academicians and the administrators.
