

Routledge Handbook of the Arab Spring: Rethinking Democratization (Hardback)

By -

Taylor Francis Ltd, United Kingdom, 2015. Hardback. Condition: New. New.. Language: English . Brand New Book. The self-immolation of Mohammed Bouazizi in Tunisia in December 2010 heralded the arrival of the Arab Spring, a startling, yet not unprecedented, era of profound social and political upheaval. The meme of the Arab Spring is characterised by bottom-up change, or the lack thereof, and its effects are still unfurling today. The Routledge Handbook of the Arab Spring seeks to provide a departure point for ongoing discussion of a fluid phenomenon on a plethora of topics, including: * Contexts and contests of democratisation * The sweep of the Arab Spring * Egypt * Women and the Arab Spring * Agents of change and the technology of protest * Impact of the Arab Spring in the wider Middle East and further afield Collating a wide array of viewpoints, specialisms, biases, and degrees of proximity and distance from events that shook the Arab world to its core, the Handbook is written with the reader in mind, to provide students, practitioners, diplomats, policy-makers and lay readers with contextualization and knowledge, and to set the stage for further discussion of the Arab Spring.

Reviews

This pdf can be worth a read through, and a lot better than other. I really could comprehend everything using this written e book. I am just pleased to explain how this is actually the very best book i have read through in my individual lifestyle and can be he very best publication for actually.

-- **Jaclyn Price**

This publication is really gripping and exciting. It really is basic but unexpected situations in the 50 % in the book. It is extremely difficult to leave it before concluding, once you begin to read the book.
