Filled with colorful pictures, the book encourages young writers to make up a tale of fun and adventure. The story begins when Huckleberry Happy and Hetty Horse go to the beach. They have fun in the sand and then snorkel with lots of funny fish and other sea creatures. There are questions, after the story ends, which help the writer focus on elements of creating a story, encouraging further exploration. A must buy book if you need to adding benefit. It really is writter in easy terms instead of difficult to understand. I found out this ebook from my dad and i advised this publication to find out.

Great electronic book and useful one. It can be writter in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
