Reviews

This pdf is very gripping and fascinating. We have read and that i am certain that i am going to going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

I absolutely love it.The only downside to it is that there is only 11 staves per page instead of the usual 12 but the good news is that they leave plenty of space in between each one (which is usually an issue for me when using other blanks sheet music books).Lastly please note that the staves are fairly small. This isn t automatically a bad thing but if you want nice big staves than don t get this one. (November 27, 2015) 5 Stars- Does what it s supposed to and the kitties are super cute!
