

Education in a Free Society

By Tibor R. Machan

Hoover Institution Press, U.S. Paperback. Book Condition: new. BRAND NEW, Education in a Free Society, Tibor R. Machan, In this radical new indictment of public education, Tibor Machan and his contributors challenge the validity of a compulsory, tax-funded system in a fully free society. They question whether human individuality is in fact compatible with coercive, uniform public schooling, offering sometimes shocking but always thought-provoking insights on a number of topics. "Education in a Free Society" argues that the "one size fits all" approach to education is misguided and ultimately very damaging to learning. Since we do not believe in this approach when it comes to exercise, nutrition, clothing, or even medicine, the contributors maintain, why is such an approach accepted in education? They question the most basic precepts of the system, even asking why everyone should be forced to learn evolutionary theory or creationism or Spanish or French or the piano or even mathematics, all at the same time and pace in their lives. Comparing public education to slavery, the book argues that the two institutions share some fundamental features such as "the massive use of government power to support the regimentation, more or less extensively, of the lives of millions of..."

Reviews

Definitely among the finest books we have at any time read. Better than never, though I am quite late in starting to read this one. Your lifestyle period will likely be transformed once you finish reading this article book.

-- Florence Batz IV

This is an amazing publication I actually have at any time go through. It is actually really interesting through reading through period. It has been developed in an exceptionally straightforward way which is merely following I finished reading through this publication where it actually altered me, modified the way in my opinion.
