SAUNDERS NURSING SURVIVAL GUIDE: ECGS AND THE HEART (PAPERBACK)**DOWNLOAD**

Elsevier Health Sciences, United Kingdom, 2006. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. This readable and student-friendly guide simplifies and clearly explains the heart and how it works. The principles of ECG interpretation are explained to help students understand ECG rhythm and its relationship to cardiac electrophysiology. This new edition features over 100 NCLEX (R) examination-style questions and provides 2-3 rhythm strips at the end of most chapters, plus 30 more at the end of the book for additional testing and review. Unique presentation of content allows students to survive and thrive. Material is presented using adult learning principles and various active-learning strategies to engage nursing students of all ages, backgrounds, and learning styles. Consistent chapter format breaks down information into small units and reinforces an effective thinking process. Special icons for Lifespan Considerations, Cultural Implications, Web Links, and Cautions help the student quickly identify special content in the chapter. Memory-reinforcing interactive activities (including fill-in the blank, matching, word jumbles, true/false, and crossword puzzles) promote student learning. Clinical terms and shorthand expressions are highlighted in parentheses to expose students to terminology that they will hear in the hospital setting. Boxed Take Home Points provide the benefit of years of nursing experience that students can use to prepare for their clinical rotation. Original cartoon-character illustrations walk the student through difficult subjects with a lighthearted approach. Cover design and series title better identifies the series as a fun and simple review. What You Will Learn section provides chapter objectives for the reader to aid their navigation through the chapters. Over 100 NCLEX (R) examination-style review questions have been moved to the ends of chapters to immediately test student knowledge. 2-3 rhythm strips at the end of most chapters for students to practice interpreting. Two completely new chapters on...
