

Broken Trust (Paperback)

By MR Thomas Maurin

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a story about three smart, successful people who were once fast friends in college and have now been thrust together again in an unlikely, multilayered investigation with far-reaching international implications and billions of dollars at stake. One is a forensic accountant for the SEC, one beta tests hardware and software for the US Department of Defense and the UK Ministry of Defense, and the third is a wildly successful entrepreneur, software developer and venture capitalist in Silicon Valley. They get caught up in the hunt for a corrupt Swiss banker intent on finally unloading the last of the Belgian national gold reserves stolen by his father in World War II; a violent, narcissist leader of a Mexican drug cartel making his move to take over as the head of all cartels in Central America; and the daughter of a murdered Bulgarian arms dealer making the deal that will give her mother financial stability and get them both out of the increasingly unstable arms business. The plot unfolds as financial crimes committed by insiders put common criminal activities to...

Reviews

This ebook could be well worth a study, and superior to other. It really is basic but unexpected situations inside the 50 % of your ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Prof. Buford Ziemann

A brand new e book with a new perspective. Better then never, though i am quite late in start reading this one. I found out this ebook from my dad and i advised this publication to find out.
